Maximum car allowed on track:

Qualifying: 46
Race: 38

Noise regulations: see Series Regulations

Other general information;

- Subject to the maximum number of cars permitted to start on any circuit, all Competitors who record one timed qualifying lap shall be permitted to start irrespective of whether their fastest qualifying time is outside 110% of the time set by the fastest Competitor in that class or outside 130% of the time set by the fastest Competitor overall in the qualifying session, unless the clerk of the course, in consultation with the stewards determines that a car shall be disqualified because they do not consider either the Competitor's performance or competence to be satisfactory.

Results:

- All Competitors who start a race are classified in that individual race classification, irrespective of whether they take the flag
- The final classification results for each Competition are calculated from the aggregate of the laps completed and times as shown in the official results of the two races. To be classified in the final classification of a Competition, Competitors must complete at least 50% of the number of laps covered by the overall winner on aggregate of the two races for that Competition, but if 50% of the number of laps is not a whole number, then the number of laps required shall be rounded down. eg if 27 laps are completed by the overall winner on aggregate, the number of laps required to be classified will be 13.
